Specifications c(UL)us

UL Listing:
Suitable for wet locations
Can be aimed above horizontal with accessory hood or visor

Sockets:
Porcelain with all copper current carrying components

Compatability with H100:
The H System floods and accessories replaces the now discontinued RAB H100 and accessories. Parts are not interchangeable. RAB will maintain stocks of the old H100. Contact factory for price and availability.

Swivels:
Fully adjustable with sure-grip locks. 1/2" NPS threaded arm with serrated locking swivel fits all standard mounting covers. Color matched EZ Grip lock nuts. Stainless steel screw.

Housings:
Die cast aluminum with powder coat finish

Lamps:
Medium base PAR-38 lamps up to 150 watts. Halogen lamps can give brighter light and choice of beam spreads.
