

ACEM® P9/40 GEN 2 COMPATIBILITY

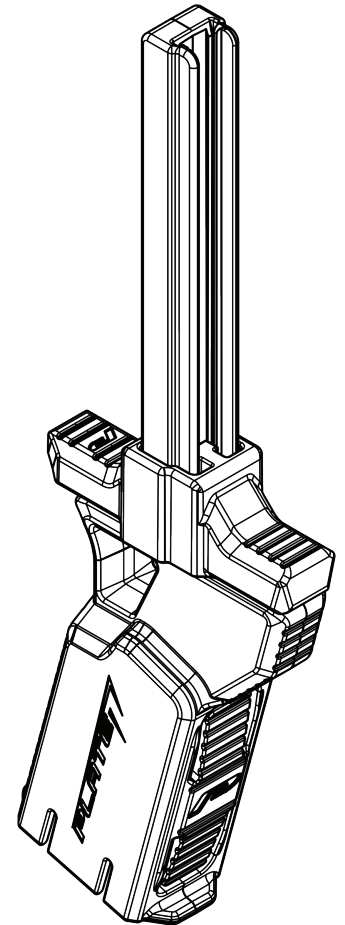

The ACEM® P9/40 GEN 2 is optimized to load the 9x19MM cartridge into GLOCK magazines. While the device is also capable of loading most other pistol magazines, the ease of use varies between make and model of magazine. The following compatibility information is a result of our own continuous testing, as well as ongoing feedback from ACEM® users. Despite the rigorous testing we perform on our products, the ultimate test is how they perform for you, our customer. Accordingly, the following information is subject to change.
