PLATE ANNOUNCES USPTO HAS GRANTED REISSUE PATENT RELATING TO ACEM® PISTOL LOADER

PLATE, LLC

CAPE CORAL, FLORIDA, August 4, 2020 – PLATE LLC announced the issue by the United States Patent and Trademark Office on August 4, 2020 of a reissue patent relating to the company’s line of magazine loading devices.

The patent, US RE48,142, is the reissue of US 9,797,669. The patent, along with additional pending applications, cover some of the core components incorporated into the company’s line of ACEM® magazine loading devices.

About PLATE

Founded in 2013, PLATE® was launched to manufacture its innovative ACEM® line of devices that aid in the loading of rifle magazines. The company has since continued to grow its ACEM® line and is actively developing into additional product areas, including its new PLATE MAG line of polymer magazines.
