## **Can I give it as a gift?**

Of course. A subscription to the Tea-of-the-Month Club is a unique and enjoyable gift for anyone. A gift card will be included in the first shipment with your personal message and the duration of the Plan membership.

## **When does the tea arrive each month?**

Approximately 3 oz. of each month's selection (1 oz. for the Masterful Plan) will arrive around the middle of every month. Each month also includes something extra. It could be a sample, tips on tea, recipes or treats—you never know! Enjoy the surprise.

## **How do I steep loose leaf tea?**

Each Membership comes with a complimentary gift of a fine-mesh Infuser Basket, instructions and tips on how to steep tea, a measuring Scoop & a storage Canister. This gives you everything you need to make the perfect cup!
