Who is the course for?

This First Aid Awareness (Adults) e-Learning course is suitable for anyone who needs to provide basic first aid to anyone injured or who becomes ill at work and what action to take in an emergency, and how to deal with accidents and injuries.

Course aims

The aims of this First Aid Awareness (Adults) eLearning course are to:

- Provide you with knowledge and understanding of first aid procedures when working with casualties, along with the ability to recognise and treat many conditions and illnesses.
- Enhance your skills in regard to your responsibilities and associated actions as a first aider.

Learning objectives

On completion of this online First Aid Awareness (Adults) training course, the learner will be able to:

- Explain what is meant by first aid.
- Know the role and responsibilities of a paediatric first aider.
- Describe how to respond in both an emergency and non-emergency situation
- Explain how to perform CPR and the recovery position in both adults and infants.
- Know the signs and symptoms of childhood illnesses and allergies and guidance on treatment.

Learning outcomes

On completion of this First Aid Awareness (Adults) E-Learning course, the learner will be able to:

- Define paediatric first aid.
- Identify the role and responsibilities of a paediatric first aider.
- List the contents in a paediatric first aid kit.
- Conduct a primary survey on a casualty.
- Know who to call in an emergency.
- Identify when to administer cardiopulmonary resuscitation (CPR).
- Justify when to place an infant or an adult into the recovery position.
- Identify when a child or infant is choking.
- Identify how to administer first aid for a patient who is suspected to be suffering an allergic reaction.
- Demonstrate how to administer first aid to a patient with external bleeding.

What is covered in this course?

This online First Aid Awareness (Adults) training course covers the following:

- Introduction
- Session 1 - Prioritising treatment
- Session 2 - Roles and responsibilities of a first aider
- Session 3 - Who to call in an emergency situation?
- Session 4 - Primary survey
- Session 5 - CPR on an adult and infant
- Session 6 - Choking statistics
- Session 7 - Types of bleeding
- Session 8 - What is anaphylaxis?

Why is this online First Aid Awareness (Adults) training course essential?

This online First Aid Awareness (Adults) training course will help you acquire knowledge of first aid and instill the confidence needed to help people in need.

- Repository of online learning materials and assessments
- Fully qualified and experienced trainers, instructors and assessors
- Experienced subject matter experts and content developers
- Conversion of existing classroom courses to e-learning courses
- All training courses meet the latest guidance and best practice recommendations.

Civility in the Workplace Training Course for Global Executives

"YPO is the premier global leadership organisation for more than 28,000 chief executives in over 130 countries and the global platform for them to engage, learn and grow. We approached The Mandatory Training Group to develop an online training programme focusing on improving workplace civility. Their team developed excellent learning materials tailored to our organisational needs. With their support, we rolled out the civility in the workplace training programme to over 300 executives around the world."

Nicolle Billmyre, YPO, Texas, USA

City and Hackney
Clinical Commissioning Group

Counter Fraud, Bribery and Corruption Training for NHS Providers

"NHS City and Hackney Clinical Commissioning Group (CCG) is an NHS organisation led by local GPs. The Mandatory Training Group provided us with tailored courses focussing on tackling fraud, corruption and bribery for all our staff across various sites. The e-learning courses helped us to meet statutory and regulatory requirements".

Harriet Griffiths, NHS City and Hackney CCG, London, UK

Accredited Training Courses, Programmes and Regulated Qualifications

"Reed is the largest platform for jobs, recruitment and courses in the UK. The Mandatory Training Group is one of our most trusted providers of continuing professional development (CPD) programmes and regulated qualifications. They have provided us with a wide range of learning materials ranging from soft skills, personal development, health and safety, among others. These courses help many job seekers to improve their skills and comply with the current UK and European laws".

Mansh Bhatti, Reed Courses, London, UK

"When we set up our business, we were looking for a reliable training provider for the healthcare multi-disciplinary team (MDT). We worked with The Mandatory Training Group to establish our training needs for each group of professionals. Their experience was invaluable, helping us to design new courses and assessments to meet the commissioners' and regulatory requirements".

Anne Joy, OSD Healthcare, Hemel Hempstead, UK

Healthcare choice for **everyone** **Statutory and Mandatory Training for Healthcare Providers**

"All our senior clinicians were delighted with the delivery of the mandatory training courses. They found the course leaders to be very flexible with allocating more time to certain areas at request. The course contents that LearnPac had designed were tailored to our workforce, which helped them improve their understanding of the subjects. The application of legislative concepts to practice was excellent".

Sophie Hartley-Jones, OneHealth Group, Sheffield, UK

Online Training and Development for the Public Sector

"We work with various public sector organisations. Statutory and mandatory training is essential for all our placements. We used LearnPac for the blended learning environment they provide for our staff. The online statutory and mandatory training courses adequately meet our regulatory requirements. LearnPac's learning management system enabled us to manage our learners and quickly sort out compliance for our workers. The flexibility of pricing and meeting our needs with the mandatory training was beneficial."

David Sanchez, Eden Brown Synergy, London, UK

Blended Train the Trainer Courses for Healthcare Providers

"We were looking to provide resuscitation and first aid training for clinical and non-clinical staff internally. The Mandatory Training Group stood out because they provide comprehensive blended learning solutions. Our internal trainers and facilitators were able to complete the theory training and assessments in advance. The practical sessions were packed with meaningful activities throughout the day. The lead trainers also helped us to complete training needs assessments".

Kate McLoughlin, Nuffield Health, Bournemouth, UK
