

CYGNETT

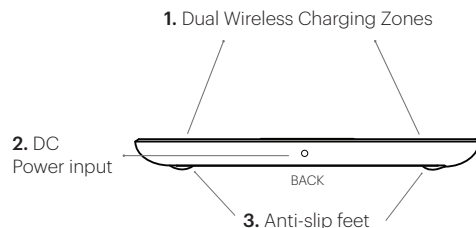

TwoFold 20W Wireless Charger

Product Information

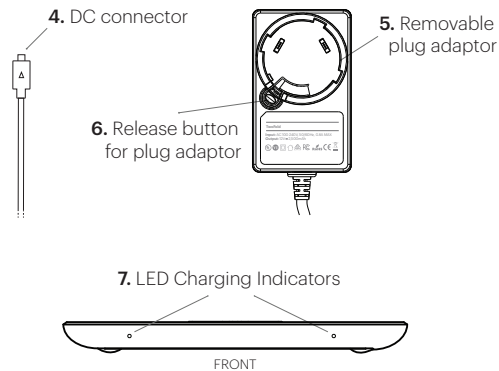

20W Wireless Charger

1. Dual Wireless Charging Zones
2. DC Power input
3. Anti-slip feet

DC Charger

4. DC connector
5. Removable plug adaptor
6. Release button for plug adaptor
7. LED Charging Indicators

Instructions

- 1. Connect the power adaptor.**
To begin using your TwoFold wireless charger you will need to connect the DC Power Adaptor. In some regions two different plug adaptors will be included in the box. To change the plug adaptor simply press release button (6), and then twist the plug anti clockwise and pull to remove. Then replace with the correct plug type for your region/country. Then plug the DC connector (4) into the DC input (2) of the Wireless Charger, and the DC power adaptor into the wall socket.
- 2. Compatible Devices**
The TwoFold wireless charger supports fast wireless charging up to 10W for Samsung/Android devices, and up to 7.5W charging for iPhone. The TwoFold can charge two devices simultaneously in any combination of the below compatible devices.
- 3. LED Charging Indicators**
When wireless charging is functioning, the LED indicator will light up below the wireless charging zone

Wireless Device Compatibility (Smartphones)

iPhone XR, iPhone XS Max, iPhone X/Xs, iPhone 8 Plus, iPhone 8, Galaxy Note 9, Galaxy Note 8, Galaxy S8+, Galaxy S8, Galaxy S7 Edge+, Galaxy S6 Edge, Galaxy S7 Edge, Galaxy S6, Galaxy S7.

Note: All devices must be Qi standard.

Troubleshooting steps

No Charging or Slow Charging

1. For optimum charge speed place the phone directly in the centre of either wireless charging zone.
2. Please ensure that the case on your phone is not affecting the wireless charging by removing it and checking the performance. Some cases interfere with wireless charging if they contain metallic material or are of a thicker construction.

Product Specification

TwoFold Wireless Charger

Input:	12V/2.5A(30W)
Wireless Output:	7.5W (iPhone) 10W (Samsung)
Wireless Output 2:	7.5W (iPhone) 10W (Samsung)

Power Adaptor

Input:	AC 100-240V, 50/60hz, 0.8A(max)
Output:	DC 12V-2.5A(30W)

FCC ID: A7M-RAW266XWIRDD
