

LPB COOKIE POLICY

1. What is a cookie?

A cookie is a small file made up of letters and numbers that is downloaded to your computer when you access certain websites. In general, cookies allow a website to recognize the user's computer.

In addition to this, you need to know more about it.

The most important thing to know about the cookies we place is that they are used to improve the usability of our website, for example by remembering site preferences and language settings.

2. Why do we use cookies?

We may use cookies and other similar technologies for a number of reasons, for example: i) for security or fraud protection purposes, and in order to identify and prevent cyber attacks, ii) to provide you with the service you have chosen to receive from us, iii) to monitor and analyze the performance, operation and effectiveness of our service and iv) to improve your user experience.

3. Table of cookies:

In this section, you must mention the cookies you use on your site. For more information, [click here](#).

4. Your choices:

To learn more about cookies, including how to see which cookies have been set and understand how to manage, delete or block them,

visit <https://aboutcookies.org/> or <https://www.allaboutcookies.org/>.

It is also possible to prevent your browser from accepting cookies by changing the relevant settings in your browser. You can usually find these settings in the " Options " or " Preferences " menu of your browser.

Please note that deleting our cookies or disabling future cookies or tracking technologies may prevent you from accessing certain areas or features of our services, or may otherwise adversely affect your user experience.
