

# Monthly Cheese Pairing

## VERMONT FARMSTEAD LILLÉ

*Based on the French Coulommiers cheese; Lillé is almost like an ancestor of Brie. This decadently luxurious soft-ripened cheese has a supple paste core enveloped by a rich creamy body and reveals a subtle mushroom nuance with notes of nut and butter. The thick rind gives a nice salty bite that balances the delicate interior. We recommend cutting it in half horizontally to serve, and pairing this delicious offering with pears, berries, apples, and a crusty baguette!*
