WHAT'S IN MY BAG?

Bravo's **Scheana Marie** dishes on the one item she always totes

As a devotee of the House of Mouse, **Scheana Marie**, 32, makes sure to stash her Disneyland annual pass in her GiGi New York satchel. "Every time I go, I have to buy a pair of ears," says the star of Bravo's *Vanderpump Rules*. "I collect them for my future daughter. By the time she's old enough, they'll be vintage!" She shares more with *Us*.

LUCKY CHARM
"I have a key chain that reminds me of my late grandmother. It says, 'Never drive faster than your guardian angel can fly.' I drive pretty fast."
BLINK TWICE
"Last night, during my shift, no one told me my Velour lashes were falling off! Good thing I had my Duo Eyelash Adhesive."
KISS AND MAKEUP
"I forget to use my Sephora card every single time I'm there."
LIP SERVICE
"I bought Sun Bum's Mango Lip Balm SPF 30 in Hawaii, and it has not come out of my purse yet. It tastes so good!"
BLIND SPOT
"I always carry an extra pair of contacts and a bottle of Visine-A. Otherwise, I'm kind of screwed, especially if I forget my glasses!"
24K MAGIC
"My boyfriend [Robert Valletta] surprised me with an Esqueleto necklace for my birthday. He says that it's 24 karats, just like the Bruno Mars song!"
