

# BSTFRP Premium Foam Rollers

## **BSTFRP** Premium Foam Rollers

Our high density EVA Foam Rollers are ultra firm and rigid, yet soft to the skin. The high density Foam Rollers are sturdy and resilient, providing increased durability versus cheaper Foam Rollers. The high density Foam Rollers will hold up in more demanding applications. Also, the black color will stay clean looking longer.

The BSTFRP18F and BSTFRP36F latex free Foam Rollers are perfect for balance exercises, stability exercises, strength training, and deep tissue massage. The Foam Rollers' design enhances balance, body awareness, muscle re-education, muscular flexibility, and dynamic strength. Foam Rollers are an exceptional self massage aid for all major muscle groups.
