## Pro•Dual Adjustable Cable Column

### DPCC-SF

#### Pro•Dual Adjustable Cable Column

The Body-Solid Pro•Dual Adjustable Cable Column is an achievement in design and engineering that stacks a virtually unlimited range of exercises into a compact 3' by 4' footprint. With a simple pop-pin adjustment, the vertically adjustable pulleys can be set for over 100 exercises at a level that is comfortable for any size user. It can be used as a freestanding unit or as a modular component to the Pro•Dual 3-Stack and 4-Stack multi-station systems.

### Special Features

- Commercial rated
