GAB360
Cam Series Ab/Back Machine

This unique dual-function machine allows you to exercise two major muscle groups (the stomach and back) for one great low price. The innovative plate-load design is based on health club single station machines. We even incorporated 2"x4" mainframe steel from our commercial grade line of equipment for institutional quality. The full range cam design has an easy to use pop pin that allows an additional 26 adjustments to increase and control your range of motion.

Dimensions: 43"H x 60"L x 46"W
