

GINV50 Inversion Table

Body-Solid®
Built for Life

GINV50 Inversion Table

Reduce stress on your back, promote muscle stimulation, flexibility and more with Body-Solid's GINV50 Inversion Table.

The GINV50 Inversion Table features a stable, extra sturdy steel frame as well as a thick and comfortable pad to give you ultimate comfort throughout the inversion movement. A patented, ergonomically molded foot adjustment mechanism keeps you in place, ensuring safety and stability as well as comfort and ease-of-use.

Body-Solid's GINV50 is a great option for home use as well as physicians, chiropractors and rehab facilities. This product carries a light commercial rating and Body-Solid's famous in-home lifetime warranty.
