GVKR82

Vertical Knee Raise, Dip & Pull-Up

Easy and convenient step in entry makes getting started a breeze. Thick, comfortable DuraFirm back pads and arm supports reduce fatigue and discomfort allowing you to keep working on your abs and obliques. Featuring Dip Station handles with oversized handgrips for a killer triceps/ deltoid/ lower pec workout. Rock solid support and stability is delivered via heavy-gauge steel frames with all-4-side welded construction. Designed to provide an intense ab workout while eliminating strain on the lower back.

Special Features

- 10° reverse pitch increases abdominal range-of-motion
- Lat Pull-Up / Chin-Up Station features easy step-up entry
- Easy access Dip Station features oversized diameter grips for ultimate comfort
- Push-Up Station is cushioned and mounted a full 12" off the floor
