PPR500 Half Rack

Powerline by Body-Solid's PPR500 Half Rack offers the durability and reliability of commercial half racks at a more economical price point. The PPR500 Half Rack can be expanded and customized with a number of options and attachments to make it ideal for any customer.

Measuring at 83" tall, this Half Rack is shorter than most commercial half racks making it a great choice for basements, garage gyms or home gym applications. Included with the PPR500 are a pair of j-cups liftoffs and safety spotter arms allowing users to safely workout alone with peace of mind.
