

# XT185 TREADMILL

Folded View

SPIRITFITAPP

COMPATIBLE WITH

MapMyFitness

Fitbit

Record

Health

The XT185 is our entry level treadmill. It is as dependable as our other models, but with a few less programs and features. It will satisfy individuals that thrive on minimal programming and the desire for simplicity to initiate their walk/hike. Easy to understand command prompts or the ability to just press start to begin your journey are attributes of this model.
