

GAR100 Body-Solid Multi Accessory Rack

Body-Solid[®]
Built for Life

Accessories sold separately

GAR100 **Multi Accessory Rack**

The Body-Solid GAR100 Multi Accessory Rack combines the most popular storage racks into one compact, easy storage solution. The GAR100 Multi Accessory Rack is designed to store medicine balls, slam balls, stability balls, resistance tubes, bands, workout mats and more. The entire GAR100 Multi Accessory Rack upright is drilled, allowing users to customize the height and spread of the medicine ball and stability ball holders. The included caster wheels allow for easy mobility and portability but can be left off for those who wish to bolt the GAR100 Multi Accessory Rack to the floor.

Weight: 70.6 lbs.
Dimensions: 32.1”L x 35.8”W x 73.5”H

Special Features

- Holds up to six medicine balls, slam balls
- Holds three stability balls
- Holds four foam rollers or yoga mats
- Four prongs for tube and band storage
- Included optional transport wheels for convenient mobility
