

PRODUCT OVERVIEW

- Best full body workout in its class
- Eliminates strain from hips, ankles, and knees
- Integrated technology makes progress easy
- Multigrip handles and adjustable foot pedals
- Bluetooth heart rate monitor
- Bluetooth speaker

Fluid natural motion is ensured by four wheels gliding along dual rails and functions in both forward and reverse. Multi-grip position handlebars enable users to find the most comfortable and ergonomic positions to grasp the handles, while oversized foot pedals situated at a 2° inward angle, and 3-position articulating foot beds sustain your body's natural position and reduce impact on the joints and muscles.

SPECIFICATIONS
