Home / Living Here / Water and Sewer Services / Water

Our administrative hours of operation are Monday to Friday, 8:30 a.m. to 4:30 p.m. with closures on statutory holidays. For service during this time, please contact us at 519-396-4660.

## Municipal responsibility

We look after treating and distributing safe drinking water to customers. Water pipes and equipment on municipal property are looked after by us.

## Homeowner responsibility

Water pipes on private property are looked after by the property owner.

## Water FAQ's

- [Why is my water yellow or brown?](#)
- [Why is my water cloudy?](#)
- [What is the hardness of my water?](#)
  - The Kincardine water system fed from Lake Huron is soft water. It has around 95mg/L as CaCO3 for hardness. The soft water range should be 80-100 mg/L
  - Our ground water wells have hard water.
    - Armow 300mg/L
    - Tiverton 500mg/L
    - Underwood 200mg/L
    - [Scott Point](#) 1400mg/L
- [Is fluoride added to my water?](#)
- [How much sodium is in my water?](#)
- [Is there lead in my water?](#)
- [When can I water my lawn?](#)
- [Who do I call to turn my water off?](#)
- [How do I fill my pool?](#)
- [How do I hook to municipal water?](#)
- [I have a water complaint, who should I contact?](#)

## Drinking water quality management system (DWQMS)

The Municipality of Kincardine has a Quality Management System (QMS). We are an accredited operating authority.
