

HOW TO CARE FOR YOUR MUG MAT

- Mug mats are for a drink (coffee, tea, juice, water) and a snack!
- Larger than a coaster...smaller than a placemat.
- Can be used on coffee tables or in the kitchen.
- Very versatile.
- The interior batting helps to absorb moisture from glasses & tea/coffee mugs.
- To care for your mat, simply wipe with a damp cloth.
- **DO NOT WASH IN WASHING MACHINE OR DRY IN DRYER**
