

LEVEL 2 PROTOCOL

We ask everyone, workers, contractors and customers, with cold or flu-like symptoms to stay away from the clinic.

You will be asked:

Do you have the following symptoms?

- a cough
- a high temperature of at least 38°C
- shortness of breath
- sore throat
- sneezing and runny nose
- temporary loss of smell

Have you traveled in the last two weeks to a high risk area?

Have you been in contact with someone who has?

Customers are booked one in and one out to avoid too many people in work place. Customers will need to stay 1-metre apart from each other at all times, including while waiting.

SPA PRACTICES

Sanitize every clients hands before entering clinic. Masks are provided if need be.

Disinfect/sanitize all work surfaces after every client, allow extra time after every client.

New towels/bedding with every client, and put in hot wash.

New bed roll for every client.

Frequent hand washing.

Correct application and removal of disposable gloves and masks.

Recording all clients that have visited in the day
