THE INNOVATORS OF COMFORT™

*The moment you sit in a Stressless, you feel why people are drawn to its comfort. The difference is our patented Plus™, Glide™, LegComfort™ and BalanceAdapt™ comfort technologies. The result is Norwegian-crafted recliners, office chairs, sofas and dining chairs that possess the special gift of bringing people together.*

## FROM OUR FJORD TO YOUR HOME

Crafting furniture is wound deeply in our Nordic roots and tells the story of who we are. Fine furniture is an art passed down from generation to generation with a rich history of trials and tribulations. The design, the craftsmanship and the attention to detail has evolved and grown to become the most comfortable seating in the world.
