

THE COLLECTIVE EFFORT

CAUSE CONNECT COMMUNITY

SPONSOR A KID'S DAY OUT

The Collective Effort is a social enterprise on a mission to create meaningful impact in our society by empowering and uplifting vulnerable or financially challenged women, children and families. We serve as a bridge between those who need help and those who have the ability and means to help, so as to successfully and efficiently create positive changes in the community.

50 EXPERIENCES FOR 500 KIDS: This project aims to nurture and enrich disadvantaged children through specially planned activities, programmes and workshops we have put together with various places of interests, sports companies and collaboration with local arts and crafts professionals. Our goal is for each child to enjoy a day of unique experiences.

Play a part in making a child's dream come true by supporting this project. Every \$200 goes into supporting one kid's happy day out. It will cover his/her entry to the places of interest, activity materials cost, transport, meals, a bag of basic items that he/she can use for the new school term. It will also cover manpower, production and marketing cost of this project.
