

# TPMOCS' SIZING CHART

We recommend printing this document on 8.5"x11" paper at 100% (full size) for shoe sizing accuracy.

## Tips for Measuring:

- Place your child's heel firmly on the solid line.
- Your child should be barefoot.
- Ensure your child is standing when measuring for sizes 4-7.
- Press toes flat.
- Determine the line that the longest toe touches.
- Measure both feet because one foot may be bigger.
- Order the size that fits the largest foot!

**ACCURACY CHECK:**  
To ensure correct printing size, place a credit card here. If it fits, the chart was printed correctly.

PLACE YOUR LITTLE CUB'S HEEL ON THE SOLID LINE
