

EVOKE

VIOLONCELLO

EVOKE

For powerful performances

The **Evoke by Jargar Strings** are designed to power the projection of your instrument and your personality. Evoke gives you a brilliant, round and focused sound with elegant timbre. And they respond immediately to your every change in intonation and articulation. Smooth and easy under your fingertips and with the well-known Jargar Strings stability they allow you to project like never before and give that powerful performance you're eager to present with ease.
