

SMOOTH TOUCH™ BACKFLOW CAGES

Offers complete protection for backflow prevention devices and other above ground pumping systems.

FEATURES

- Weather and vandal resistant technology
- Patented locking system includes provisions for a padlock
- Natural finish and neutral colors blends into landscape for unobtrusive quality
- Stainless steel cages coated with performance polymer alloy and cold-rolled cages coated with a protective rubberized coating

MULTIPLE OPTIONS AVAILABLE

Available in stainless steel or cold-rolled steel with two entry options.

We offer powder coating in multiple color options for all steel cages.

FULL COVERAGE PROTECTION

Protect your pump from all weather conditions with our solid construction, marine grade aluminum enclosure. Available with insulated Polar Barrier Blanket.

2320 Meyers Ave. Escondido, CA • (760)480-6702
