## THE BOY BIT

### epic bars

Oh my bacon! Epic bars are redefining the term 'man candy' with their delicious meaty protein snacks we'd no doubt find in the backpacks of Bear Grylls, Indiana Jones and Russell Coight. Taking it back to the Stone Age, these paleo friendly bars take the cake for the most 'epic' sustenance to accompany any life adventure.

### feit shoes

If you think a shoe obsession is purely a lady trait, then think again. And if that obsession isn't ingrained in a dude yet, then it sure will be after they've popped a pair of Feit footwear on their man feet. Each pair is handmade by the world's most contemporary craftsmen and oozes swankified coolness.

### flower power

If you've never thought to pair the words 'manly' and 'florals' together, you might consider doing so once you clap eyes on Paul Smith's latest collection. This guy is the custodian of cool and mod, and is sure to keep any man looking the sharpest of sharp.

### triumph and disaster

Sometimes it can take a huge range of tools to keep a man looking dapper. That's why when it can all fit neatly into one perfectly sized box it's an extra special bonus. This package of skincare essentials should be kept close by so you can evoke some old-world sophistication anytime you please.

### box car orange

If you've named your company after an orange Kombi van, then there's no doubt you're creating something unique and mega awesome, like this insanely cool concrete ring that looks straight off the axle of a Flintstones Bentley. You boys really have all the best stuff!

### bowtie bandits

Finally, the accessory all you would-be horse taming, six-shootin' Jesse James bandits have been waiting for. The perfect way to spruce up an outfit and express your inner cowboy, these bowties are an essential for all men of the ranch.
