

# The Grand Plan

25 years thus far

1st generation NG loop abandoned  
(old baseboard still exists)

Alternate plan for SG  
(abandoned as curves too tight for S7)

First plan for hidden SG  
(abandoned as curves too tight for S7)

2nd generation baseboard

1st generation baseboards (since widened)

2nd generation Treffry style  
SG viaduct/aqueduct  
removed and sold

2nd generation  
baseboards

2nd generation  
baseboards

## Key

Current track —  
Scrapped/Abandc —  
Planned —  
grid spacing = 1ft

Current plan for SG
