

'Picture Perfect' Rectangle & Square Quilt Design

The 'Picture Perfect' block is made from the following:
 4 x Light Rectangles
 1 x Light Small Square
 1 x Dark Rectangle
 1 x Dark Small Square
 1 x Large Center Square (contrast or picture fabric or even applique)

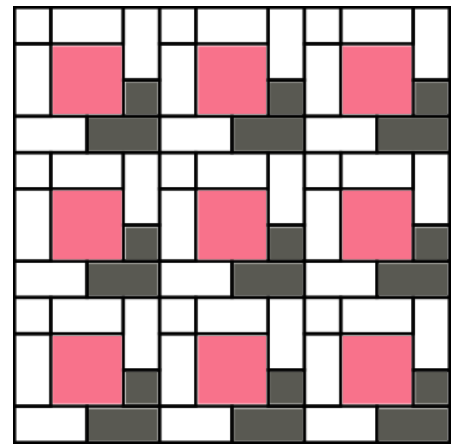

Fabric Requirements :

3" x 6" Version -

- 1 x Fat $\frac{1}{4}$ of Light fabric (cutting outer and inner templates)
- 1 x Fat $\frac{1}{8}$ th of Dark Fabric (you can cut 2 whole rectangles and 2 whole squares, cutting outer and inner templates)
- 1 x Fat $\frac{1}{8}$ th of Center Fabric (cutting outer and inner templates)

2 1/2" x 5" Version -

- 1 x Fat $\frac{1}{8}$ th of Light fabric (cutting outer and inner templates)
- 1 x Fat $\frac{1}{8}$ th of Dark Fabric (you can cut 2 whole rectangles and 2 whole squares, cutting outer and inner templates)
- 1 x Fat $\frac{1}{8}$ th of Center Fabric (cutting outer and inner templates)

I have included 3 ways you can join the blocks together, the above-right design is regular and the design on the bottom-left the middle row is dropped down by one rectangle and the design on the bottom-right is dropped down by 2 rectangles. All of the designs are fabulous, I wonder which design you'll choose!

Daisy & Grace wish you lots of Happy Sewing!
