

DAISY & GRACE

**Tree Skirt using 3 ½" QAYG Hexagon
Size 42 ½" x 38 ½"**

This is a fun little project for Christmas, I love the snowflake design on this but don't forget that it's QAYG so you could have a different design on the back.

Requirements

18 x Pale Blue Hexagons

18 x Navy Hexagons

Assemble your 36 hexagons as per the diagram above.

Leave an opening from the centre along one edge of the pale blue hexagons
