

Martello Alley Artist Application

We really appreciate your interest in our unique approach to showcasing local art in this city.

We are often looking for paintings, sculptures, drawings, printmaking, glassworks and more. If you create something interesting and different let us see!

- Would you be interested in participating as an artist collective with common interests and bring in great art at a great value to residents and visitors to Kingston?
- Are you looking to participate and collaborate in a fun and friendly atmosphere?
- Do you want to exhibit your artwork in the only art themed historic alley in Ontario with other talented and friendly artists?
- Are you energetic, professional, fun and inspiring?
- Do you promote your art on social media?

If you have answered YES to ALL of the above then follow a few simple steps. We require every prospective new artist to provide to a formal submission which includes:

- Original samples of their body of work, sold and unsold, along with an accompanying price list
- A body of new work and work in progress, along with approximate timelines for completion. This is required in order that we can give significant presence to the art, and to warehouse several pieces to replace sold art.
- A complete biography and chronology of work including current and past exhibitions
- A listing of their social media presence (Facebook, both personal and business, Instagram, Pinterest, Twitter, etc.)
- An artist's statement
- Your story
- A statement of what you think you can bring to Martello Alley.

If you would like to apply to be a part of the Martello Alley artist team, we would require that all the above conditions be met before an interview with the curation team. Martello Alley gallery has established a protocol for accepting new talent into the gallery. This vetting process ensures that we have the best tools for promotion of any new artist while maintaining our mandate for a diversity of work.

Information regarding commission rates and artist expectations are discussed in the interview.

Please note that we give precedence to Kingston artists.

We look forward to meeting you and seeing your original artwork!

Please fill out the application on the following pages and send it, along with any attachments, to david.dossett@gmail.com with "Call to Artists" in the subject line.
