

| Available sizes and measurements

ViLa girls' sandals are available in junior European sizes, approximately aged between 2 and 8 years.

To select the correct size we recommend the customer follow these steps:

1. Measure the child's foot from the back of the heel to the longest toe on the longest foot, in centimetres (cm);
2. Select the EU shoe size according to the size guide below;
3. Choose the larger size if the child's foot measures between two sizes.
