

# Social Impact Lighting – Ragudha (Mud Mussel)

The Ragudha Pendant, has a bespoke frame designed in consultation and collaboration with Milingimbi art and Culture. The bespoke frame exclusive to artists of Milingimbi and are only to be woven upon by artists from the art centre. For example it is not appropriate for a Gadigal (Sydney based) artist to weave upon a Ragudha mud mussel. Available in three sizes - small, medium, and large - these pendant lights are equipped with LED strip lighting, a 2-meter coaxial cable and a ceiling suspension set for easy installation by a professional electrician. Crafted using traditional materials such as pandanus, raffia, and bush string, some Ragudha pendants also incorporate reclaimed wool.

### CLEANING AND CARE

Made completely from natural or reclaimed materials, it is best for your lampshade to avoid harsh sunlight. Pandanus and bush string are also dyed using a variety of natural materials such as roots and berries. Over time, fading may occur. This is a process inherent to a natural product and should not be viewed as a fault. We suggest dusting lightly and regularly with a feather duster. Always switch off the electricity supply before cleaning.
