

# Jim

The Jim family is a range of powder coated steel furniture for outdoors. Jim is the offspring of our iconic Jake chair and has the same slender tube frame.

There are three seating and two table styles in this family, allowing for multiple configurations. A distinguishing feature of them all is the perforated pattern, based on our K logo.

In addition to black and white, the Jim series can be powder coated in the Koskela powder coat colour range.

## MATERIALS

- Tubular steel for the frame
- 4mm steel sheet for the seat and back

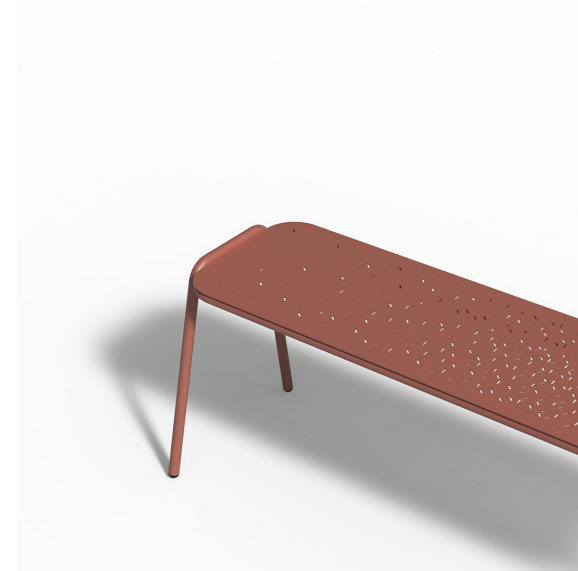

## FINISHES

Textured powder coat colours only

- Basic colours: Black
- Classic colours: Terracotta, Petrol, Yellow Ochre, Bowerbird Blue, Saltbush Grey

## LEAD TIME

8 weeks
