

Social Impact Lighting – Standard Pendants

This pendant lampshade range is a continuation of Koskela's social impact projects with Aboriginal and Torres Strait Islander art centres. Koskela has collaborated with the Yolngu weavers of Elcho Island Arts on Yuta Badayala (In A New Light), the Tjanpi Desert Weavers on Tili Wiru (Beautiful Light), and Moa Arts on Kapu Minaral (Beautiful Colours). All lights come with a Certificate of Authenticity. All Lights are made by artisans, each shade is different.

CLEANING AND CARE

Made completely from natural or reclaimed materials, it is best for your lampshade to avoid harsh sunlight. Pandanus and bush string are also dyed using a variety of natural materials such as roots and berries. Over time, fading may occur. This is a process inherent to a natural product and should not be viewed as a fault. We suggest dusting lightly and regularly with a feather duster. Always switch off the electricity supply before cleaning.
