Stainless steel front panel available for all model (optional)

* For the 'Stainless Steel Front (SF)' option, an additional $350 will apply to the dealer's net price. This optional fee is not subject to dealer discounts.

≡ FEATURES / BENEFITS ≡

■ **MODERN DESIGN**
By harmonizing curvature and rigidness, our modern style product designs are user-friendly while maintaining the highest product visibility and aesthetics.

■ **LED LIGHTING INTERIOR DISPLAY SYSTEM**
Brighter and longer lasting LED lights provide attractive, enhanced illumination compared to fluorescents. It saves energy by producing less heat, while maximizing the visibility in the display area.

■ **AUTOMATIC CONDENSER CLEANING SYSTEM**
The accumulation of dust in the condenser causes the failure or breakdown of refrigerators. Especially for refrigerators, they run normally until they reach a certain level of accumulation. At some point, when they are over the limit, their performance drops quickly resulting in damage to, or disposal of the stored products in refrigerators. The automatic condenser cleaning system keeps the condenser clean and prevents system failure by automatically brushing daily.

■ **ENVIRONMENTALLY FRIENDLY, EFFICIENT REFRIGERATION SYSTEM**
Turbo Air's refrigerators are designed with oversized and balanced environmentally friendly R-404A (CFC Free) refrigeration. These include large evaporators and condensers for faster cooling and balanced temperature throughout the cabinet.

■ **ATTRACTIVE GLASS SIDED ELEGANT EURO DESIGN**
Glass front shield and side walls optimize the merchandiser's display effects of fresh salads, sandwiches, desserts and beverages. Its elegant contemporary euro design will enhance any store application.

■ **NON-PEEL, DURABLE ANTI-RUST COATING ON THE EXTERIOR REDUCES FINGERPRINTS**

■ **DESIGNED TO OPTIMIZE IMPULSE SALES**
Ideal for eye-catching displays and convenient access with fast service in high traffic area.

■ **STANDARD BACK-GUARD IMPROVES AIRFLOW**

■ **ENERGY SAVING NIGHT CURTAIN STANDARD**

■ **OPTIONAL SECURITY COVER AVAILABLE**

■ **FOAMED WITH POLYURETHANE, HIGH-DENSITY CELL INSULATION (CFC FREE)**

■ **300 SERIES STAINLESS STEEL INTERIOR STANDARD INCLUDING BACK WALL, SHELVES AND DECK PANS**

■ **PERFORATED INTERIOR BACK WALL AND TOP FOR IMPROVED AIR FLOW**

■ **FRONT AIR INTAKE AND REAR AIR DISCHARGE**

■ **WHITE AND BLACK COLOR COME STANDARD**

■ **STAINLESS STEEL FRONT PANEL AVAILABLE FOR ALL MODEL (OPTIONAL)**

# of Shelves	4
Self Size	35 3/4 x 10 3/4

Design and specifications subject to change without notice.
Actual shipping weight may differ due to extra packing materials for product protection.

■ **WARRANTY :** **2 Year Parts and Labor Warranty**
Additional 3 Year Warranty on Compressor

■ SIMPLE PLUG-IN INSTALLATION

■ PATENTED SELF-CONTAINED SYSTEM, NO PLUMBING REQUIRED

■ RECOMMENDED OPERATING CONDITIONS

TOM models are designed to operate in an environment where temperature & humidity do not exceed 75°F and 55% respectively. Units should not be installed near HVAC vents, fans or doorways that will disrupt the air curtain and compromise the function of the cabinet. Air curtain models will run most efficiently when completely loaded with product.
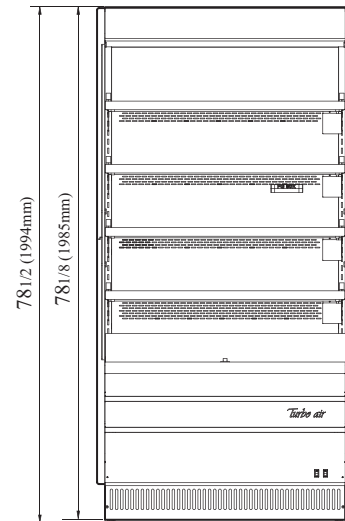

■ **OPTIONAL ACCESSORIES :**

❑ Night time security cover
❑ Stainless Steel Front Panel
