3. Select Stamping Style

First you have to choose whether you would like a deboss or a Foil Stamp. A deboss is when we press your logo into the leather using heat and pressure. This is a nice subtle option. Foil is when we heat Transfer a color onto the leather and then deboss it in. Foil stamping is pretty damn durable and will stand up to just about anything!.

ADDITIONAL FOIL OPTIONS

Don't see the right foil? Just ask, we've got about 45 Additional colors in our workshop. Below are a few popular options.
