ACDP-2 VOLVO Package

Configuration List:

ACDP-2 Configuration List (Mini ACDP-2 Programming)

Item No.	Adapters / Parts	Pictures	Quantity	Adapters / Parts Functions
1	ACDP Programmer		1 PC	
2	Puncture Socket (With one more plastic part)		1 PC	Applicable to read and write 8-pin EEPROM data without removing/soldering. Used with 8P cable and 20P cable.
3	BAV-KEY adapter		1 PC	Applicable to identify BMW keys, data writing and matching.
4	P8P Cable		1 PC	Applicable to read and write 8-pin EEPROM data via cable connecting..
5	8P Cable		1 PC	Applicable to connect the 8-PIN interface board of each module.
6	20P Cable		1 PC	Applicable to connect the ACDP2 host to 20 pin interface board.
7	20P to 8P cable		1 PC	Applicable to connect the ACDP2 host to 20 pin and 8 pin interface board.
8	Android cable		1 PC	Applicable to connect the ACDP2 host and Android phone.
9	IOS cable		1 PC	Applicable to connect the ACDP2 host and IOS phone.
10	USB cable		1 PC	Applicable to connect the ACDP2 host and PC.
11	OBD cable		1 PC	Applicable to connect the ACDP2 host and vehicle OBD.
12	14V Switch Power Supply		1 PC	Power the ACDP-2 host.
13	OBP2 adapter		1 PC	Applicable to reading 8-pin chip data with or without soldering
14	Test Points cleaning probes		4 PCS	Applicable to clean test point three anti-paint.
15	Double-head line		1 PC	Applicable to point-to-point connections.

ACDP-2 Configuration List (Module 12 VOLVO Module)

Item NO.	Adapters/Parts	Pictures	Quantity	Adapters/Parts Functions
1	VOLVO CEM V1 Interface board		1PC	Applicable to connect VOLVO CEM module and read password.
2	VOLVO CEM2 V1 Interface board		1PC	Applicable to connect VOLVO CEM module and read password.
3	VOLVO KVM V1 Interface board		1PC	Applicable to connect VOLVO KVM module and read password.
4	VOLVO Copper pillar Package (M2.5*12÷6mm）×2 (M2.5*20÷6mm）×1		3PCS	Applicable to fix VOLVO interface board.
5	Test Points cleaning probes		1PC	Applicable to clean Test Points.

ACDP Configuration List (Module 20 New VOLVO IMMO module)

Item NO.	Adapters/Parts	Pictures	Quantity	Adapters/Parts Functions
1	NEW-VOLVO-CEM-A Interface board		1PC	Applicable to connect the CEM module test point of the new Volvo SPC5646C chip model
2	NEW-VOLVO-CEM-B Interface board		1PC	Applicable to connect the CEM module test points of the new Volvo SPC5647G/SPC5648G chip models
3	VOLVO CEM copper pillar (13+6mm)		6PCS	Applicable to fix new Volvo interface board
4	Test points cleaning probes(3*2)		1PC	Applicable to clean new Volvo CEM module test points.
