

**Endorsed**

By WA Ministry of Fisheries

## About the Company

OMNA Inc. is a veteran owned and operated company that specializes in innovative marine tourniquets and tourniquet water sport leashes.

Founded 2014

## Mission and Vision

The mission of OMNA is to provide life-saving solutions for maritime professions and recreational water sports.

Our vision is to empower people with water specific first aid solutions and products.

## TESTIMONIALS

- **"The leash cord didn't stop the bleeding."** (Shark attack survivor April 2017, San Onofre State Beach, CA, USA). – Leanne Ericson
- **"If Ben or someone around him had been surfing with an OMNA Tourniquet Leg Rope he'd be alive today."** (Brother of Ben Gerring who died from blood loss June 2016, Perth, WA, Australia).— Rick Gerring
- **"Unfortunate accidents happen every day. OMNA Tourniquets are an innovative solution for use in, around and on the way to and from marine environments where accidents may occur to control bleeding and potentially save a life."** – Blake Chapman - Marine Biologist, Shark Researcher, and Author of *Shark Attacks: Myths, Misunderstandings and Human Fear*.
