

RIPCURL

WATCH REPAIR FORM

WHAT IS COVERED UNDER WARRANTY?

- **2 years on Movement.**
 - Movement is the part inside the watch that makes it work, but it does not include the Crown, sometimes called the Winder.
- **2 years on Waterproof.**
 - We recommend all watches be serviced, resealed and tested for water resistance every year as heat, temperature changes, salt and other elements will diminish waterproofness over time. Have this done at the Service Center and we will then issue a new warranty for another year.
- **1 year on batteries.**
 - We can replace all batteries (**excluding GPS and automatic watches**) and at the same time will reseal and test the watch functions and water resistance. We will then issue a new one-year warranty on the new battery.
 - Cost for battery changing will be given upon request.

Anything our technicians assess that falls under warranty will be repaired or a credit will be posted to you either via gift card or online store credit. All warranty claims will need a valid proof of purchase, either a receipt or a credit/bank statement, from an authorized Rip Curl Vendor.

WHAT IS NOT UNDER WARRANTY?

Any damage that has occurred to the watch that falls outside of the warranty time frame. Damage to the glass, band, and case caused by general wear and tears or accidental damage.

WHO DETERMINES IF MY WATCH IS UNDER WARRANTY?

Our technicians have 35 years of experience with our watches, and they personally inspect each watch to decide whether it will be under warranty or not. Our Service Center will contact you with an update and or quote from our technicians within 48 hours of receiving your watches.

WHERE DO I SEND MY WATCH?

Please send your watch to the address below.

Rip Curl ATTN: Service Center

193 Avenida la Pata

San Clemente, CA 92673

We recommend shipping with a tracking number to verify that your package is delivered. If you are near a retail Rip Curl store, you can stop in, and our associates will send your watch into our Service Center for you.

WHAT IS THE REPAIR PROCESS?

If our technicians find the repairs to be under warranty, we will simply repair/credit the watch and send it back to you as quickly as possible. For non-warranty repairs, our technicians will assess it, and our Service Center team will reach out to you with an update and or quote. If you approve, we will make the repairs and return it to you as quickly as possible. If you do not approve, we will simply ship your watch back to you as it is. We will attempt to contact you via **phone or email 3 times**. If we do not receive a response within 21 days, we will return the item to you in the state we received it.

FURTHER QUESTIONS?

If you have any questions about pricing, specific needs, or require a watch back within a certain time frame, please contact us before sending your watch in.
