NOTE: *There is no specific left and right side*

If there is a seam on your pad, ensure it points downwards when fitted

Install Replacement Earpad

- 3 Offer the earpad up to the head unit, flip it over and position it slightly off-angle (A) onto the head unit (B).

- 4 Twist the pad to the right (clockwise) until you feel a little resistance, and the pins engage, then one last twist to lock them into place.
