

BRAINWAVZ[®]

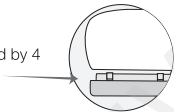

EARPADS FOR SONY PS5 PULSE 3D

QUICK INSTALLATION GUIDE

Remove Old Pads

NOTE

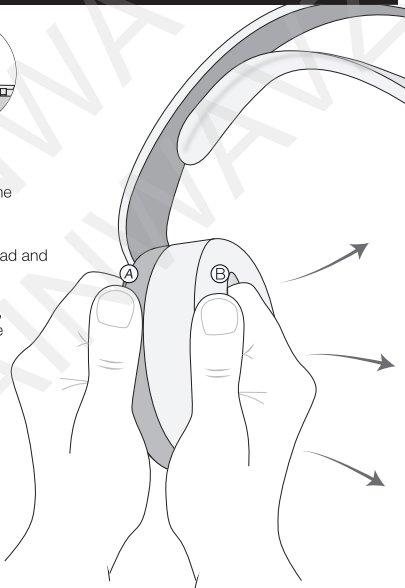

Pads are secured by 4 click-in tabs

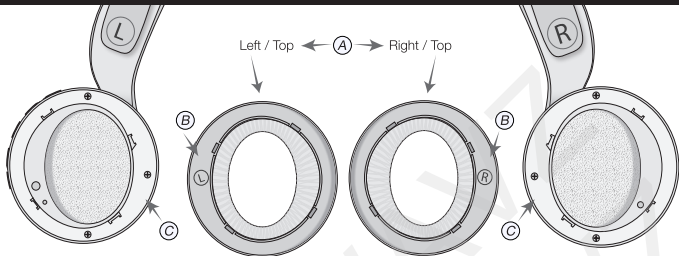

- 1 Hold the headphones firmly with one hand (A)
- 2 With your other hand, grip the earpad and pull away from the head unit (B).

Once the pad starts to come loose, reposition and pull the pad from the opposite side.

You will hear several clicks as the pad releases from the clips.

Get To Know The Earpads

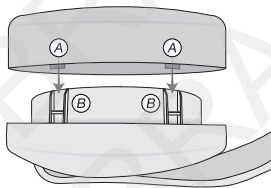

NOTE:

- Correct earpad must be used for each side - see L or R markings on pads and headphones
- Earpads must be in correct orientation (A)
- Wider side of the pads (B) fits onto wider side of the earcup (C)

Install Replacement Earpad

- 3 Place the earpad onto the earcup, ensuring correct orientation (see above). Line up the clips on the earpad (A) with the earcup (B) before fixing into position

- 4 Push down firmly on the outer edges of the earpad in all 4 locations - a small click will be heard when in place.
