

Title:

Brainwavz Zeta In-Ear Earphones with Detailed Bass and Vocals. Perfect for All Music. Lightweight Comfortable Fit, Velcro Tie, Shirt Clip, 3 Sizes Ear Tips, 1 Year Warranty

Bullets:

AMAZING WIDE RANGE SOUND with these Brainwavz ZETA in-ear monitors. The dynamic drivers deliver smooth, detailed bass with crisp, realistic, high fidelity vocals. It sounds like you're in the studio with your favorite musicians. Perfect for work, running or relaxing at home. Enjoy your personal soundtrack to everything you do.

COMFORTABLE FIT and very lightweight. We include 3 sizes of ear tips (S,M,L) to give you perfect sound quality and a custom fit for comfortable all-day wear. Tips made with 100% premium quality silicon, long lasting, safe and comfy.

LOTS OF ADVANCED FEATURES like phone call control, audio player control, and support for TRRS connector. Supports iPods, iPhones, iPads, MP3 players, Android, and other devices with 3.5mm earphone socket. You get easy plug-in-play operation with no learning curve.

BONUS EXTRAS like Velcro tie to keep cords neat, shirt clip for when you're walking, running, or involved in other strenuous activity, and a full range of ear tip sizes. You get better connectivity and sound reproduction with the upgraded copper cable and gold-plated plug.

Compatibility:

iPods, iPhones, iPads, MP3 Players, Android Tablets and Phones & Other Audio Devices that support a 3.5mm earphone socket.
