EARPADS FOR SONY MDR-1000X / WH-1000XM2 Quick Installation Guide

Remove Old Pads

Insert Foam Pad

Remember to re-insert the foam before installing the new pad.

Get To Know The Earpads

5 The small circle, indicted above, must be located to the bottom for correct orientation of the pad.

Install Replacement Earpad

Place the earpad onto the earcup - ensure correct orientation

Push down on the earpad firmly in all 6 locations - a small click may be heard when in place.

Ensure all tabs are correctly inserted, some may take a little more force than others.
