

Icaro 015

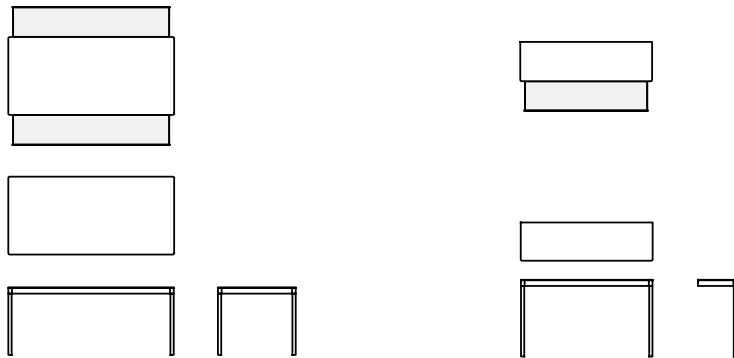

Caronni + Bonanomi · 2015

Revisiting of an historical Desalto product, Icaro 015 has a more contemporary, simpler look. A range of tables, low tables and console which include pull-out drawers, practical elements that take nothing away from the design's unfussy beauty.

Available models

Tables, small tables and consoles with steel frame and drawers, tops in toughened glass 8 mm or ceramic 6 mm. Drawers on full extension ball bearing slides. Drawers storage accessories in washable black neoprene (optional).
