

WIRELESS WIFI HOME CAMERA INSTRUCTION MANUAL

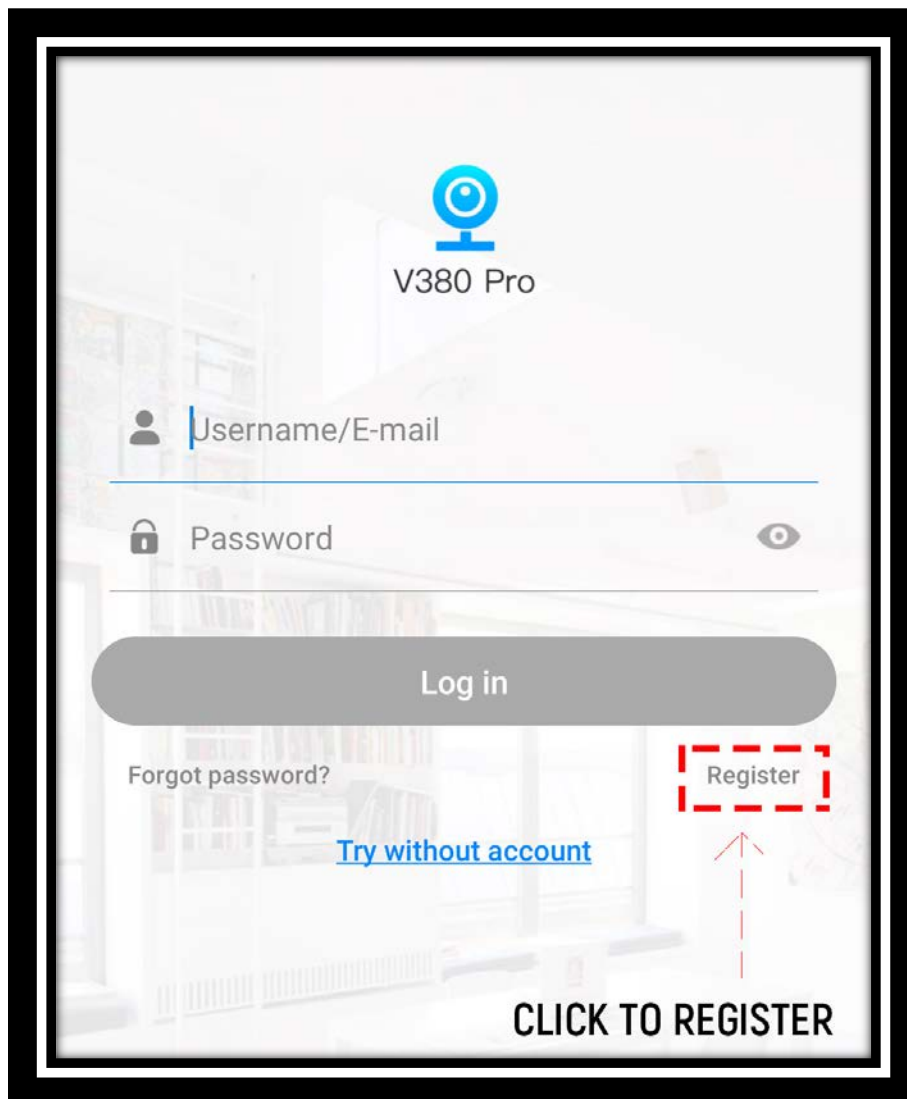

STEP 1

- Download “V380 Pro” App from Play Store or Apple Store.

STEP 2

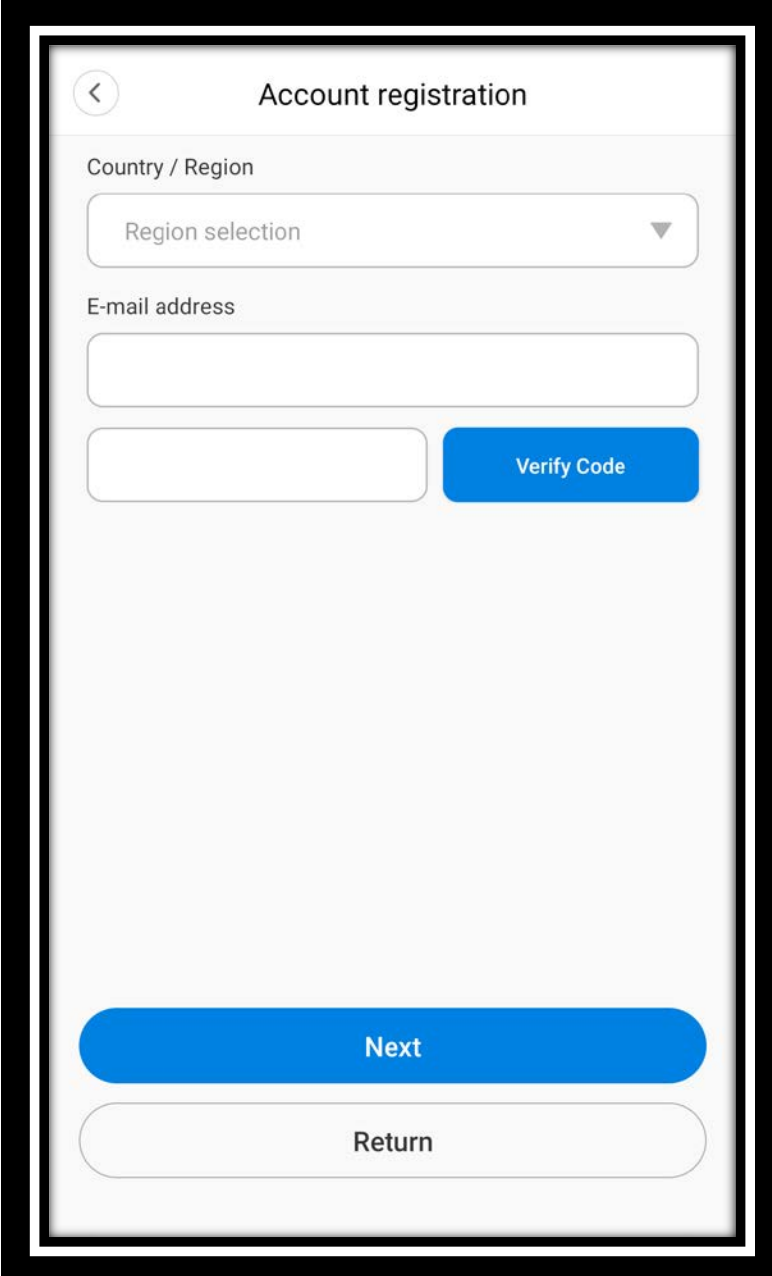

- Click on Register to create new account.

TIP: Account creation is mandatory to access the camera.

STEP 3

- Choose “ASIA” Region and enter your personal / office e-mail id.
- You will receive a verification code on your email id which you have provided in the “E-mail address” section.
- Enter the verification code and click on “Verify Code” and click on “NEXT BUTTON”.

The screenshot displays the "Account registration" screen. At the top left, there is a back arrow icon. The title "Account registration" is centered at the top. Below the title, there is a section labeled "Country / Region" containing a dropdown menu with the text "Region selection" and a downward arrow. Underneath, the "E-mail address" section features a large text input field. Below the email field, there is a smaller text input field for the verification code and a blue button labeled "Verify Code". At the bottom of the screen, there are two buttons: a prominent blue "Next" button and a white "Return" button with a grey border.

STEP 4

- Enter your desired password in “Password” and “Confirm Password” section and click on “SUBMIT BUTTON”.
- Remember the password as it will be used to login into your account in the V380 Pro app.
