

Bio-Ae-Mulsion®

Bio-Ae-Mulsion Forte®

For Healthcare Professionals Only

Bio-Ae-Mulsion™ & Bio-Ae-Mulsion Forte® : Liquid, micro-emulsified vitamin A.

*Vitamin A is found in many fruits, vegetables, eggs, whole milk, butter, meat, and oily saltwater fish. Vitamin A can be used to reduce heavy menstrual periods, premenstrual syndrome (PMS), vaginal infections, yeast infections, “lumpy breasts” (fibrocystic breast disease), and to prevent breast cancer. Vitamin A can also be used to raise sperm count. **Note:** Eating essential fatty acids can help the body absorb vitamin A. Drinking alcohol may increase vitamin A’s potentially harmful effects on the liver.*

Bio-Ae-Mulsion® - Supplies 2,000 IU per drop. Contains some vitamin E to prevent oxidation for free radical issues, renal and bladder dysfunction, viral and bacterial infections, colds and flu, environmental allergies, acne, night blindness, skin disorders, vaginal douche for candidiasis and vaginitis, and tinnitus.

Recommended Dosage: (1) drop in pure water each day before meals. Not recommended for pregnant or lactating women. For adult use only. Keep out of reach of children; excessive consumption may lead to serious health problems.

Bio-Ae-Mulsion Forte® - Same as **Bio-Ae-Mulsion®** but supplies 12,500 IU per drop for all immune conditions such as bacterial and viral infections, colds, and flu.

Recommended Dosage: (1) drop daily with meals. Not recommended for pregnant women. For adult use only. Keep out of reach of children; excessive consumption may lead to serious health problems. *Note:* For douche use 10 drops in pure water with ½ teaspoon of **BioDophilus-FOS™** and ten (10) drops of **Liquid Iodine**.

Bio-Ae-Mulsion®

Supplement Facts

Serving Size: 1 Drop
Servings Per Container: 750

	Amount Per Serving	% Daily Value
