

Bio-Trophic Plus™

For Healthcare Professionals Only

Bio-Trophic Plus™ is a comprehensive daily multiple vitamin formula utilizing whole foods and food sourced nutrition.

Bio-Trophic Plus™ supplies the range of B-Complex vitamins, including the phosphorylated forms of B1, B2, and B6. B complex vitamins are key players in metabolism, assisting in the catalytic function of enzymes to produce energy from fuels. In other words, as coenzymes, they serve as enzyme helpers in central enzymatic pathways that degrade fatty acids, amino acids, and glucose to yield ATP.

Additional vitamin support is provided as natural mixed carotenoids, vitamins C and D, as well as vitamin E as natural mixed tocopherols. Specific amounts of important ultra trace minerals (chromium, selenium, molybdenum) are provided via our biologically active vegetable cultures. Also included are vanadium, lithium, rubidium, and silicon. These are all true non-yeast, non-gluten food forms of these key micronutrients. Organ specific support is provided via our proprietary neonatal liver, kidney, and heart tissue concentrates. Published histological data supports the contention that neonatal organ and glandular tissues are superior to typical sources of commonly used glandular and organ tissues.

Bio-Trophic Plus™ provides other key nutrients as well, including organic whole beet concentrate, which supplies a natural source of betaine, and buckwheat culture, a source of bioflavonoids. The inclusion of judicious amounts of antioxidant synergists including quercetin, Green tea EGCG, citrus bioflavonoids, gamma oryzanol and FRAC®, as well as the important antioxidant enzymes SOD and catalase, round out this unique, broad spectrum whole food dietary supplement.

Bio-Trophic Plus™

Supplement Facts	Serving Size: 3 Tablets Servings Per Container: 30	
	Amount Per Serving	% Daily Value
Vitamin A (as natural mixed carotenoids)	1,500 IU	30%
Vitamin C (as ascorbic acid)	31 mg	52%
Vitamin D (as cholecalciferol)	400 IU	100%
Vitamin E (as d-alpha tocopheryl acetate and mixed tocopherols)	15 IU	50%
Thiamin (B1) (as cocarboxylase chloride)	1.5 mg	100%
Riboflavin (B2) (as riboflavin-5-phosphate)	1.7 mg	100%
Niacin (as niacinamide)	20 mg	100%
Vitamin B6 (as pyridoxal-5-phosphate)	2 mg	100%
Folic Acid (as calcium folinate)	400 mcg	100%
Vitamin B12 (as methylcobalamin)	6 mcg	100%
Biotin	300 mcg	100%
Pantothenic Acid (as calcium pantothenate)	10 mg	100%
Calcium (as calcium glycerophosphate)	40 mg	4%
Magnesium (as magnesium citrate)	28 mg	7%
Zinc (as zinc citrate)	3 mg	20%
Selenium (from vegetable culture †)	5 mcg	7%
Manganese (as manganese citrate)	0.6 mg	30%
Chromium (from vegetable culture †)	25 mcg	21%
Molybdenum (from vegetable culture †)	10 mcg	13%
Quercetin (Dimorphandra mollis)	25 mg	*
Proprietary Blend	705 mg	
Rubidium (from vegetable culture †)		*
Gamma Oryzanol (from rice)		*
Vanadium (from vegetable culture †)		*
Neonatal Heart (bovine)		*
Neonatal Kidney (bovine)		*
Neonatal Liver (bovine)		*
Neonatal Spleen (bovine)		*
Buckwheat Culture (Fagopyrum esculentum)		*
FRAC® (from rice)**		*
Green Tea Extract (50% EGCG) (Camellia sinensis) (leaf)		*
Citrus Bioflavonoids (from citrus fruit)		*
Organic Beet Concentrate (Beta vulgaris) (whole)		*
Superoxide Dismutase (from vegetable culture †)		*
Catalase (from vegetable culture †)		*
Lithium (from vegetable culture †)		*

* Daily Value not established

Other ingredients: Stearic acid (vegetable source), potassium citrate, food glaze, modified cellulose gum and magnesium stearate (vegetable source).

For a balanced, broad-spectrum daily multivitamin, consider **Bio-Trophic Plus™**.

Recommended dosage is three (3) tablets each day as a dietary supplement or as otherwise directed by a healthcare professional.

Used for:

- Comprehensive Vitamin /Mineral /Trace Element /Glandular Food-Sourced Multiple supplement
- Metabolism & General Support
- Cardiovascular Support
- Promote healing
- Strengthen immune system
