

ChondroSamine Plus® ChondroSamine-S®

For Healthcare Professionals Only

ChondroSamine Plus® and ChondroSamine-S® are the most comprehensive formulations of their kind, for connective tissue, like cartilage found in joints. These tissues require adequate supplies of important nutrient building blocks to maintain their integrity.

ChondroSamine Plus® provided chondro-support for connective tissue, like cartilage found in joints. These tissues require adequate supplies of important nutrient building blocks to maintain their integrity. Supplies glucosamine (as hydrochloride) with purified chondroitin sulfates and an array of important synergist including vitamins, minerals, MSM, and the antioxidant enzymes SOD and catalase. Used for osteo and rheumatoid arthritis, degenerative and inflammatory joint disease, and cartilage and soft tissue repair.

ChondroSamine-S® is the same as **ChondroSamine Plus®** except the glucosamine is in the sulfate form for conditions needing increased sulfur such as adrenal cortical dysfunction and intestinal parasitic infestation.

Recommended dosage is three (3) capsules each day between meals as a dietary supplement or as otherwise directed by a healthcare professional. Not recommended for pregnant women.

ChondroSamine Plus®

Supplement Facts	
Serving Size: 3 Capsules	Servings Per Container: 30
	Amount % Daily Value
	Per Serving
Vitamin C (ascorbic acid)	180 mg 300%
Niacin (as niacinamide)	50 mg 250%
Folate (as calcium folinate)	200 mcg 50%
Vitamin B ₁₂ (as methylcobalamin)	3 mcg 50%
Pantothenic Acid (as calcium pantothenate)	45 mg 450%
Manganese (as manganese gluconate)	6 mg 300%
Glucosamine (as glucosamine HCl + +)	1,000 mg *
Purified Chondroitin Sulfates (bovine)	500 mg *
MSM (methylsulphonylmethane)	100 mg *
Sugarcane (Saccharum officinarum)(extract)(shoot)	25 mg *
Superoxide Dismutase (from vegetable culture†)	20 mcg *
Catalase (from vegetable culture†)	20 mcg *

*Daily Value not established

Other ingredients: Capsule shell (gelatin and water) and magnesium stearate (vegetable source).

Contains ingredients derived from shrimp and crab shell.

† Specially grown, biologically active vegetable culture containing naturally associated phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

+ Glucosamine (1,000 mg elemental) derived from 1,250 mg glucosamine hydrochloride.

Product #: 7815
NDC: 55146-07815
