## Bio-Allay®

**Why you may need Bio-Allay®:** It has been said that our modern society can be termed an “Inflammation Nation”, with a large percentage of people living with some type of physical discomfort. **Bio-Allay®** contains a proprietary combination of three unique herbal extracts; White Willow (*Salix alba*), Devil’s Claw (*Harpagophytum procumbens*), and Boswellia (*Boswellia serrata* gum) which collectively support comfort levels and promote enhanced activities of daily living. White Willow bark was the original source for the salicylates needed for the chemical manufacture of acetylsalicylic acid (aspirin), but clinicians should not be remiss in believing that White Willow is synonymous with acetylsalicylic acid. White Willow salicylates have demonstrated inhibition of COX-2 transcription, a feature not noted in acetylsalicylic acid. Additionally, anticoagulant and antiprostaglandin actions associated with acetylsalicylic acid are not present with White Willow extract. Devil’s Claw has a long history of use for the support of musculoskeletal comfort.

**Why your healthcare practitioner recommends Bio-Allay®:** Over 12 clinical trials have been published on its use and all have found Devil’s Claw to be clinically valuable. Boswellia demonstrates its actions via the inhibition of 5-lipoxygenase, with no apparent effect on cyclooxygenase. Clinical studies have demonstrated that Boswellia was able to increase comfort, joint flexion, and walking distance in patients with wear and tear damage of the knees. **Bio-Allay®** is another fine example of leading-edge nutritional supplementation available exclusively from Biotics Research Corporation. The benefits from taking **Bio-Allay®** can often be noted within the first few doses, making it an excellent product to use with patients experiencing physical discomfort. **Bio-Allay®** is a safe, natural and effective product, however it should be avoided by patients with a known sensitivity to aspirin or salicylates. As always, Biotics Research Corporation brings you “*The Best of Science and Nature.*”

### Supplement Facts

|   | Amount Per Serving |
|---|--------------------|
| <b>Serving Size: 2 Capsules</b>                                   |                    |
| <b>Servings Per Container: 60</b>                                 |                    |
| Proprietary Blend   | 950 mg             |
| White Willow ( <i>Salix alba</i> ) (bark) (extract)               | *                  |
| Devil’s Claw ( <i>Harpagophytum procumbens</i> ) (root) (extract) | *                  |
| Boswellia serrata (gum) (extract)                                 | *                  |
| <b>* Daily Value not established</b>                              |                    |

**Other ingredients:** Capsule shell (gelatin and water), cellulose and magnesium stearate (vegetable source).

**This product is gluten and dairy free.**

**RECOMMENDATION:** Two (2) capsules two (2) times each day as a dietary supplement or as otherwise directed by a healthcare professional.

**Caution:** Not recommended for pregnant or lactating women.

**KEEP OUT OF REACH OF CHILDREN**

Store in a cool, dry area.  
Sealed with an imprinted safety seal for your protection.

Product # 7857 Rev. 05/13
